I've got the BID Board meeting with her, I think, to express their displeasure.  
That would be 1/16.

Hi Nate,  
  
Happy New Year.  
  
I will be glad to meet and discuss with you and Pat next Monday. We did  
not think we had to bring this issue up at neighborhood council, as it has  
no relevance to our liquor license. The truck is simply a temporary  
kitchen to keep our employees employed during our renovation.  
  
We can discuss further on Monday.

**Subject:** Council Office Meeting Request re: Ayara Thai Cuisine

Hello Vanda,

Hope you had a pleasant holiday and a Happy New Year.

It's come to our attention that Ayara plans on setting up your kitchen in a vehicle parked on a public street during the few months of your planned renovations. I'm surprised this issue was not addressed during the neighborhood council meetings when you were requesting an ABC permit.

I would like to meet with you and Pat as soon as possible to make sure the councilman knows all the details because we've been getting concerned calls from a few people already.

Are you both available this Monday (1/13) at 1:30pm to meet at our Westchester District Office (same building as the community room) to discuss?

Thanks,  
Nate
